

The AISA logo consists of the word "AISA" in a bold, white, sans-serif font. A white swoosh underline is positioned beneath the letters, starting under the 'A' and ending under the 'A'.

TRANSFORM TO EVOLVE

An abstract digital face rendered in profile, facing right. The face is composed of a mesh of points and lines, with a color gradient transitioning from purple and blue on the left to yellow and orange on the right. The face appears to be emerging from or interacting with a complex, multi-layered digital structure.

ABOUT AISA

PEAK MEMBERSHIP BODY FOR CYBER SECURITY

- As a nationally recognised not-for-profit charity organisation, with DGR status, the Australian Information Security Association (AISA) is the peak membership body for cyber security professionals.
- AISA champions the development of a robust information security sector by building the capacity of professionals and advancing the cyber security and safety of the Australian public as well as businesses and governments in Australia.
- Established in 1999, AISA has become the recognised authority on information security in Australia with a membership of more than 13,000 individuals and corporate partners across the country.
- AISA was created to provide leadership for the development, promotion, and improvement of our profession.
- AISA's strategic plan calls for continued work in the areas of advocacy, diversity, education, and organisational excellence to ensure that Australians are cyber safe and secure online.

WHY SPONSOR?

This is your chance to be part of Australia's leading cyber security event.
Confirm your participation today!

CyberCon is Australia's premier cyber security conference organised by AISA, attracting thousands of IT professionals, experts, executives, and decision-makers from diverse industries. The expansive exhibition area enables sponsors to display their services, products, and innovations prominently. All conference catering, villages and barista coffee carts, as well as the welcome reception and networking drinks ceremonies, will take place within the exhibition space, fostering opportunities for sponsors and attendees to network, connect, and collaborate.

REASONS TO BECOME A SPONSOR

- **Meet and engage with 5,500 delegates**
CyberCon offers your organisation opportunities to connect in person with high level decision makers and technology professionals from the cyber security world.
- **Flexible exhibition spaces and opportunities to suit every budget**
With economic uncertainty front of mind, we've secured a range of opportunities for every level of sponsor and exhibitor.
- **An interactive experience that matters**
Delegates are active participants at CyberCon. You can create meaningful and enduring connections with partners and key players.
- **Extensive reach and high levels of engagement**
The conference consistently attracts participation from both national and international cyber security organisations, as well as significant media and social channel interest. The discussions initiated at CyberCon extend well beyond the event itself, involving speakers, delegates, sponsors, and volunteers which contributes to sustained high engagement levels.

We recommend securing your participation early to gain longer-term exposure and your preferred stand location in the exhibition area.

“The leads and interactions were excellent and hopefully will provide value to our organisation”

Our Team really enjoyed the event and it was a great way for our brand to get exposure”
